2016-2017 Consent to Release Personal Information

Families of KPDSB students:

There are many times throughout the school year the Keewatin-Patricia District School Board would like to celebrate our student's participation and achievement in a variety of print and electronic publications and websites. We ask that you read the form below and sign at the bottom if you give the Keewatin-Patricia District School Board permission for the following:

- Have your child's schoolwork, achievements, or participation in school-related activities printed in a school board or community publication, including **yearbooks** (printed publications may be posted electronically on school, board or community websites, and/or social media platforms). Your child's name, grade and/or school may be used.
- Use photos of your child in a school or board publication, and/or post your child's photo on a school or board website, and/or school or board social media platform such as Facebook, Twitter or YouTube. Your child's name, grade and/or school may be used.
- Have your child videotaped by a KPDSB employee, or by individuals invited into schools by the KPDSB, under the supervision of KPDSB employees only. These videos could be used throughout the board area and may be posted on the school or board website and/or social media platforms. Your child's name, grade and/or school may be used.
- Have your child videotaped, photographed and/or interviewed for media stories throughout the school year. The images and/or audio may be used in local, national or international news stories about school programs, initiatives, awards and/or events. Your child's name, grade and/or school may be used.

This consent will be effective as long as the student is registered in the secondary school, or until the student reaches the age of 18 and wishes to complete another form. Consent may be revoked at any time, upon written notice.

We ask that you complete one form for each child in your family if you give your consent for the above.

Please return the permission form to your school secretary or your child's teacher. If you have any questions or concerns, please contact the school.
